

ABOUT US

SULTANS NATURAL STONE ; with its expert staff and 20 years of experience in natural stone business; considering your demands and priorities; identifies the very right supplier with the best product in the best quality ,price and delivery date; arrives at every point of Turkey ; controls your order at every stage of production ; selection and packaging; keeps you updated with real product images from the production line , gets your permission and confirmation for the shipment, supervises the shipment; makes sure that your products are loaded in safe and just like what you order; and meets your expectations beyond your imagination.

Our mission is to supply the correct product that you demand; by preventing every possible problem, such as quality , colour variation, selection, calibre, angle and size.
We are your eyes in Turkey. We listen to you; get what exactly you mean; internalise and do our best for what you need.

We offer a wide selection of high-quality marble and travertine mosaics,medallions, bordures, sinks, tabletops,countertops, tiles, pavers, slabs in different finishings and sizes and blocks.
